

[LETTER OF INSTRUCTION NO.1, July 04, 2001]

TO: All National Government Agencies (NGAs)
All Local Government Units (LGUs)
All Government-Owned/Controlled Corporations (GOCCs)
All Participating Non-Government Organizations (NGOs)

WHEREAS, the number of drug users increased at an alarming rate of about 300% per annum from only 20,000 in 1972 to about 1.7 Million regular users plus 3.5 million casual users nowadays, inspite of the efforts of the Dangerous Drugs Board and the erstwhile Constabulary Anti-Narcotics Unit (CANU) which was succeeded by the PNP Narcotics Group:

WHEREAS, the estimated value of illicit drug trade is now about P 250-300 Billion per annum, 95% of which is in methamphetamine hydrochloride or shabu being sourced from China, thereby resulting in billions of dollars worth of much needed and hard-earned foreign exchange going down the drain and even causing 70% of the heinous crimes, further clogging the dockets of the courts and congesting the jails, with additional 20,000 drug cases per annum;

WHEREAS, the drug syndicates are no unlevelling both the economic and political playing fields, by investing their dirty money in businesses that could readily drive out of competition the legitimate businessmen who are investing legitimately-earned and borrowed money; and engaging in narco-politics or bankrolling with drug money the candidacies of many politicians who shall protect them, once installed in government;

WHEREAS, Executive Order No. 61 was issued on January 15, 1999 creating the National Drug Law Enforcement and Prevention Coordinating Center (NDLEPCC) purportedly to orchestrate the anti-drug efforts of NGAs, LGUs and NGOs at the operational level; and

WHEREAS, results of the local, regional and island group anti-drug summits conducted nationwide from March 12 to April 6, 2001 invariably point to the necessity of enhancing further the orchestration of and doing much more in the anti-drug campaign with a high sense of urgency, and avoid what is now going on in Columbia.
